TAMU-CC faculty and staff have the ability to connect to the Islander_Admin and Eduroam network. TAMUCC students can connect to only the Islander_Student network. Follow the below instructions to connect to the appropriate network.

1. Select Settings.
2. Select Wi-Fi.
3. Make sure Wi-Fi is turned on and select the appropriate network.
4. When prompted, enter your IslandID and password.
5. If prompted, click Connect to accept the security certificates.
6. You should now be connected to the University wireless network.

**PLEASE NOTE:** Some Android devices require Phase 2 Authentication to be set to “MSCHAPV2.”
