Getting to Know Your New Cisco Unified IP Phone 7841

**Place a Call**
- Internal calls - on campus: Dial 4-digit extension.
- External calls (off-site): Dial 9+1+10-digit telephone number.
- To reach Campus emergency service, dial 4444.

Use one of the following options:
- Lift the handset and dial the number.
- Press the button for the line you want to use.
- Press the Speaker button.
- Press the NewCall soft key.
- Press the Headset button.
- Press the Redial soft key.

**Call Park**
To put a call on hold so it can be retrieved from any other phone in the system:
- Press the More soft key.
- Press the Park soft key.
- Note the 4-digit Call Park number displayed on the screen.
- Hang up.
To retrieve a parked call:
- Lift the handset.
- Dial the 4-digit Call Park number.

**End a Call**
Use one of the following options:
- Hang up the handset.
- Press the EndCall soft key.
- Press the Speaker button.
- Press the Headset button.

**Answer a Call**
Use one of the following options:
- Lift the handset.
- Press the Answer soft key.
- Press the line button to answer using the Speaker.
- Press the Headset button.

**Place a Call on Hold**
- Press the Hold soft key or if another call is ringing, press the Answer soft key, which puts the first call on hold.

To return to the call on hold:
- Press the Resume soft key.

If multiple calls are on hold:
- Press the Navigation button to select the call.
- Press the Resume soft key.

**Transfer a Call**
To transfer an active call:
- Press the Transfer soft key.
  The call is placed on hold.
- Dial the number to where you want to transfer the call.
  **Note:** To transfer directly to voice mail, press * before the number.
- When the party answers, announce the call (optional).
- Press the Transfer soft key again and hang up.

If the transfer fails:
- Press the EndCall and Resume soft keys.

**Forward Calls**
To forward all incoming calls:
- Press the CFwdALL soft key.
- To send to voice mail, press the Message button.
  OR—To send to another phone, dial 9+ the outside phone number.
  OR—Dial 4-digit extension where you want your calls to be forwarded.

To cancel and receive incoming calls:
- Press the CFwdALL soft key again.

**Conference Call**
- To establish a conference call with up to a maximum of 6 parties (yourself and up to five others):
  - While on an active call, press the **More** soft key.
  - Press the **Conf** soft key to open a new line. The call is placed on hold.
  - Dial the next party you want to add to the conference call.
  - When the call is answered, press the **Conf** soft key again to add the new party to the call.
- To rejoin the conference call if a called party is not available:
  - Press the **EndCall** soft key.
  - Press the **Resume** soft key.
  - You are connected with the called party.
- To remove a participant from the conference call:
  - Press the **More** soft key until you see the **Rmlstc** soft key.
  - Press the **Rmlstc** soft key.
  - **Note:** This is only available for the conference originator.

**Join**
- To create a conference call by joining two or more existing calls on a single line:
  - Highlight the call you want to add to the conference.
  - Press the **Select** soft key.
  - Repeat this process for each call you want to add.
  - Press the **More** soft key, then the **Join** soft key.
  - **Note:** Omit this step if a 7970 phone user is called.

**Direct Transfer**
- To transfer two active calls to each other without staying on the line:
  - Scroll to highlight any call on the line.
  - Press the **Select** soft key.
  - Scroll to highlight the second call.
  - Press the **Select** soft key.
  - Press the **More** soft key.
  - Press the **DirTrfr** soft key.
  - The two calls are now connected to each other and you are dropped from the call.

**Conference Call—Participants**
- To view a list of conference participants:
  - While on an active conference call, highlight the active conference.
  - Press the **More** soft key.
  - Press the **ConfList** soft key.
  - Participants are listed in the order they joined the call, with the most recent at the top.
- To end the conference call:
  - Press the **EndCall** soft key or hang up.

**Call Logs**
- To view your missed, placed, or received call history:
  - Press the **Directories** button.
  - Press the **Navigation** button to highlight the desired log.
  - Press the **Select** soft key to display the information.

**Corporate Directory**
- To search and call someone listed in the corporate directory:
  - Press the **Directories** button.
  - Press the **Navigation** button to highlight Corporate Directory.
  - Use the dial pad to search for an entry by spelling part or all of the name.
  - Press the **Search** soft key.
  - Press the **Navigation** button to highlight the desired entry.
  - Lift the handset and press the **Dial** soft key to make the outgoing call.

**Call Pickup (If available)**
- To answer a call ringing at another phone in your Call Pickup Group:
  - Pick up the handset to display the **Pickup** soft key.
  - Press the **Pickup** soft key.
  - Press the **Answer** soft key.
  - You are now connected to the call.

**Extension Mobility**
- To log onto an open telephone:
  - Press the **Services** button.
  - Select the **Extension Mobility**.
  - Enter your 10-digit telephone number.
  - Enter your PIN.
  - **Note:** Your default first-time PIN is 12345??.
  - Press the **Submit** soft key.

If this is the first time logging into your profile, you will be prompted to sign in again and change your PIN:
- Scroll down to the PIN field.
- Enter a new PIN (min. 8? digits).
- Press the **Submit** soft key.
